

CONSULTING BY BEACON STRATEGIES

Helping firms move forward with their vision and execute next-generation strategic initiatives is what Beacon does. We have a team with a record of successes that can help providers better understand their marketplace and collaborate with wealth firms.

- ✓ Intimate knowledge of the wealth marketplace
- ✓ Deep functional knowledge and extensive industry experience
- ✓ Established community of wealth firms through our roundtables

A hand is shown moving a black chess piece on a dark board. The board is overlaid with a white network diagram consisting of interconnected nodes and lines. A green line highlights a specific path through the network. The background is dark, and the lighting is focused on the hand and the board.

CONSULTING

TAKING A VISION AND TURNING IT INTO REALITY *– We are the bridge between wealth firms and providers.*

Today's wealth marketplace leans into technology. Provider firms are a central foundation that all wealth firms rely on. Much of our work has its foundation on knowing the currents of the wealth management marketplace. As such, we bring a unique perspective to our work with provider firms.
